

**University of Minnesota  
Parking & Transportation Services**

**Motorcycle Parking Contract Conditions**

1. Motorcycle permits go on sale starting April 1, and expire on November 30\* each year. Permits are non-refundable and are sold on a first-come, first-served basis allowing parking in any designated motorcycle area.

***Faculty and staff who drive motorcycles and currently have a parking contract in a hangtag facility for their vehicle, may obtain a motorcycle permit at no cost. However, these individuals must park their motorcycle in their currently assigned facility and may not park in motorcycle permit parking areas.***

**A motorcycle permit purchased as a *primary and sole* contract is prorated from the date of purchase through November 30**

2. A valid motorcycle permit must be displayed on the left front wheel fork (when seated) with all numbers clearly visible.
3. Only one motorcycle per reserved space will be permitted at any one time. Violation may result in tagging, towing, or revocation of reserved parking agreement.
4. To prevent motorcycles from tipping over on asphalt surface lots, motorcyclists must provide their own kickstand support.
5. Motorcycle parking areas will be maintained, weather permitting, by sweeping and striping. Certain lots are seasonal and are posted accordingly when they are open or closed for motorcycle parking.
6. Driver/owner of motorcycle assumes all risk for any damage to motorcycle when parked during snow removal.
7. The University of Minnesota assumes no responsibility for loss by fire, theft, or damage to your vehicle while in a parking facility.
8. The University of Minnesota reserves the right to move vehicles or reassign to other locations when necessary.

**\* Note:** Start and end contract dates may be adjusted based on projected show/weather impact on availability
